Dear AUL Parents/Guardians

The health and safety of our students and staff is our top priority. This letter is to inform you that the families of two students from our Barclay St. Campus (7th/8th grade) have reported to us that their child tested Covid-19 positive. Additionally, two Barclay staff members have tested positive. Following the New Jersey Department of Health (NJDOH) guidance, classes will continue to operate while those involved quarantine for 14 days. The individual students and their immediate households have been advised of all quarantine guidance, staff as well (see attached School Nurses Covid-19 Report.)

As a precautionary measure we will close the Barclay Campus tomorrow (a half day) and instead offer virtual/online instruction (only tomorrow for grades 7/8) from 8AM – 12 Noon. The Barclay campus will then be undergoing deep cleaning and sanitizing. We do this in an abundance of precaution in support of safety. Please know that we at AUL are enforcing safe practices and masks are mandatory. The only time when masks are allowed to be down is when students are eating lunch. Students in the cafeteria are seated following social distancing guidelines with no more than three students per eight foot long table.

We ask all parents for help in safeguarding our students and staff by:

- Monitoring your child's health and contacting the school nurse if your child is ill.
- Keep your child home if they are feeling sick. If warranted, get Covid-19 tested and advise us.
- Continue to follow all health and safety protocols (wash your hands, social distance, and mask.)

ALSO, only for today the 21st Century afterschool program will be closed to the Barclay campus students.

Please check the school website at www.aulcs.org for weekly Covid updates. Additionally, go to www.aulcs.org/Page/1593 for information on Covid safety, training materials and resources.

Please continue to work with us for the safety of all our children.

Sincerely

Dr. Mario C. Barbieri
