September 14, 2021

Dear AUL Parents/Guardians

The health and safety of our students and staff is our top priority. This letter is to inform you that the families of two students have reported to us that their child tested Covid-19 positive outside of the school setting. Following the New Jersey Department of Health (NJDOH) guidance, classes will continue to operate while these students quarantine for 14 days. The individual students and their immediate households have been advised of all relevant isolation and quarantine guidance. Please know that we at AUL are enforcing safe practices and masks are mandatory. The only time when masks are allowed to be down is when students are eating lunch. Students in the cafeteria are seated following social distancing guidelines with no more than three students per eight foot long table.

Our survey of teachers indicate that students are complying with all protocols and following masking requirements. We ask for parents help in safeguarding our students by:

- Monitoring your child's health and contacting the school nurse if your child is ill.
- Keep your child home if they are feeling sick. If warranted, get Covid-19 tested and advise us.
- Continue to follow all health and safety protocols (wash your hands, social distance, and mask.)

For ease of reference, our school nurses can be reached via phone or email as noted here below.

Campus (Grades)	Nurse	Phone / Extension	Email address
Barclay St Campus (7/ 8)	Nurse Ada Pineiro	848-203-3742 ext. 175	apineiro@aulcs.org
Main Campus (9 – 12)	Susan Komosinski	848-203-3742 ext. 106	skomosinski@aulcs.org

Please check the school website at www.aulcs.org for weekly Covid updates. Additionally, go to www.aulcs.org/Page/1593 for information on Covid safety, training materials and resources.

Please continue to work with us for the safety of all our children.

Sincerely

Dr. Mario C. Barbieri
