Dear AUL parents, students and community,

As always, our primary concern is the safety and well-being of our students, staff and community. At this time masks are optional in all our buildings with the following exceptions:

- Masking is required in the school's nurse's offices.
- Masking is required for 10 days after a person has had a known COVID-19 exposure (regardless of vaccination status).
- If a person tests positive, masking is required for the 5 days following their 5-day isolation period.

Anyone who chooses to wear a mask will be supported in their decision to do so at any time, including during low Covid-19 risk levels. During times of high-risk levels of transmission, the school reserves the right to impose a mandatory masking policy.

We thank you for your cooperation in this matter.

Sincerely,

Dr. Jeff White
