March 13, 2020

Dear AUL families,

We will be closed on Monday, March 16, for students using one of our inclement weather days. Our teachers will be preparing for online learning, which will commence on Tuesday, March 17. We will be conducting online learning for all students in order to maintain the health and well-being of our entire school community, and prevent the transmission and spread of Novel Coronavirus (COVID-19).

We will continue to assess and communicate weekly with our school community throughout this process to ensure that our students are fully engaged and prepared for virtual learning. Please check our website for regular updates, and feel free to contact your child's school with any questions.

Sincerely,

Margaret Rose Morales, EdS
Lead School Administrator

Estimados padres/guardias de familia,

La escuela está cerrada el lunes, 16 de marzo, usando un día del calendario listado por mal tiempo. Los maestros van a estar preparando sus lecciones para la computadora. Lecciones por el internet comenzarán el martes, 17 de marzo. Estamos trasladando a lecciones por el internet para asegurar la salud y bienestar de nuestra comunidad, y prevenir la transmisión del Novel Coronavirus (COVID-19).

Vamos a seguir evaluando semanalmente y comunicaremos con todos durante este proceso para asegurar que nuestros estudiantes están completamente envueltos en el programa académica. Favor de revisar nuestro website para información, y llamar a la escuela de su hijo(a) si tienes alguna pregunta.

Sinceramente,

Margaret Rose Morales, EdS
Superintendente
